PRDE FEE SCHEDULE CREDIT PROVIDERS

From 01 July 2024

Signatories to the PRDE pay an annual fee according to their size ('Tier'). Signatories are assigned to a Tier as part of the onboarding process and the RDEA reviews each signatory's Tier on an annual basis.

When allocating a Credit Provider to a Tier, the RDEA may consider any relevant factors including the Credit Provider's number of accounts and/or value of total lending. The table below is used as a guideline for tiering.

PRDE signatory fees are invoiced at the start of each financial year. New signatories during the financial year are invoiced on a pro-rata basis from the date of becoming a PRDE signatory.

Credit Provider Tier	Annual Fee*	Tier Yardsticks
1	\$55,447	≥\$100B or ≥ 2 million accounts
2	\$28,515	\$40B-\$100B or ≥ 1 million accounts
3	\$12,833	\$10B-\$40B or < 1 million accounts
4	\$7,129	\$3B-\$10B or ≥ 100,000 accounts
5	\$1,995	<\$3B or < 100,000 accounts
6	\$396	\$10 million or < 1,000 accounts

*Excludes GST

Corporate Groups

If a corporate group has multiple signatories participating under the PRDE, they may choose to operate as a 'signatory group' and pay one PRDE fee, provided that (i) the same key contacts are nominated for each signatory; (ii) the signatories agree to give one combined annual attestation under paragraph 93(f); and (iii) one invoice is issued for all signatories. The PRDE fee for a signatory group is calculated based on the combined size of the relevant signatories.
