PRINCIPLES OF RECIPROCITY AND DATA EXCHANGE (PRDE)

Version 21 (As at 8 April 2022)

INTRODUCTION

The PRDE is a set of agreed principles that credit reporting bodies (**CRBs**) and credit providers (**CPs**) agree to abide by to ensure those **CRBs** and **CPs** have trust and confidence in their credit reporting exchange. The PRDE is not intended to be relied upon by non-signatories, or other stakeholders, in any way or in any forum.

The intention of the PRDE is to create a clear standard for the management, treatment and acceptance of credit related information amongst **signatories**. The PRDE only applies to consumer **credit information** and **credit reporting information**.

Adherence to the **ACRDS** is a fundamental part of the PRDE for **signatories**, as is adherence to the principles of reciprocity as set out in this PRDE.

For the avoidance of doubt, a requirement on a **CP** to **contribute credit information** only applies to the available information held by that **CP**. If the **CP** does not hold the **credit information**, this does not prevent it from participating in this PRDE.

The PRDE also facilitates the creation of three **Tier Levels** in the PRDE credit reporting exchange, and allows **CPs** to voluntarily select their own **Tier Level** of participation.

The PRDE applies to **CRBs** and **CPs** that choose to become **signatories** to this PRDE.

It comes into effect on the **Commencement Date**.

A **CRB** or **CP** is bound to comply with the PRDE upon becoming a **Signatory**.

Nothing in the PRDE obliges a **CRB** or **CP** to do or refrain from doing anything, where that would breach Australian law.

PRINCIPLE 1

Principle 1: The obligations under this PRDE shall be binding and enforceable upon PRDE signatories. PRDE signatories agree to execute the Deed Poll to make this PRDE and the authority of the PRDE Administrator Entity (and through it, the Industry Determination Group and Eminent Person) effective and binding.

Effect of the PRDE

1. The PRDE are a set of agreed principles that are governed by the **PRDE Administrator Entity**. The principles within the PRDE are given effect by each **signatory** executing the **Deed Poll** on the **Signing Date** and covenanting to comply with the requirements of the PRDE and therefore to be bound by the obligations contained within this PRDE. Upon a **CP** or **CRB** executing the **Deed Poll** and nominating an **Effective Date**, the **CP** or **CRB** are deemed to be **Signatories** from that **Signing Date** and are bound from the **Effective Date** to comply with any request made by the **PRDE Administrator Entity** pursuant to this PRDE, any recommendation issued by the **Industry Determination Group** (which is accepted by the parties) pursuant to this PRDE and any decision issued by the **Eminent Person** pursuant to this PRDE.

Promises by CRBs

2. Our **services agreement** with a **CP** will oblige both us and the **CP** to execute and give effect to the **Deed Poll**.
3. We will allow a **CP** to choose its **supply Tier Level** consistent with the requirements of this PRDE.
4. We will only **supply credit reporting information** to a **CP** to the extent permitted under this PRDE and if we have a reasonable basis for believing that the **CP** is complying with its obligations under this PRDE to **contribute credit information** (subject to the exceptions contained in paragraphs 29 to 33A or transitional provisions contained in paragraphs 53 to 64 that apply to that **CP**).
5. On request, we will inform a **CP**, with which we have a **services agreement**, and the **PRDE Administrator Entity**, of the **Tier Level** of a **CP** that **contributes credit information** to us.
6. Our **services agreement** with a **CP** will not prevent the **CP** from **contributing credit information** to another **CRB**.
7. We will pay such costs identified by the **PRDE Administrator Entity** as required to administer this **PRDE**, in the manner required by the **PRDE Administrator Entity**.

Promises by CPs

8. We will only obtain the **supply of credit reporting information** from a **CRB** that is a **signatory** to this PRDE. Our **services agreement** will oblige both us and the **CRB** to execute and give effect to the **Deed Poll**.
9. We will nominate a single **Tier Level** at which we will obtain **supply of credit information** (whether from one or more **CRBs**). We will disclose our chosen **Tier**

- Level to the PRDE Administrator Entity** so that it can make this information available to **CRBs** and **CPs**.
10. We will **contribute credit information** to the extent required by this PRDE to a **CRB** from which we obtain the **supply of credit reporting information**. Our **contribution of credit information** will comply with **ACRDS** including its timeframe requirements and will be at the chosen **Tier Level** for **supply**.
 11. If we are supplied by a **CRB** with **partial information** or **comprehensive information**, we will not **on-supply** to another CP (whether a **signatory** or non-signatory) any **partial information** or **comprehensive information** that the other CP (whether a **signatory** or non-signatory) is not able to obtain directly from the **CRB**, because the other CP either:
 - a) is not a **signatory**; or
 - b) does not **contribute** any **credit information** to the **CRB**; or
 - c) has chosen to be **supplied** with **credit reporting information** at a lower **Tier Level** than that we have chosen.
 12. The provisions in paragraph 11 above do not, however, apply:
 - a) where the **on-supply** is for the purposes of another CP (whether a **signatory** or non-signatory) assessing whether to acquire our consumer credit accounts; or
 - b) where the **on-supply** is to a **Securitisation Entity** in accordance with paragraphs 41, 42 and 44 below; or
 - c) where the **on-supply** is to a third party in accordance with paragraphs 46 and 46A below.
 13. We will pay such costs identified by the **PRDE Administrator Entity** as required to administer this **PRDE**, in the manner required by the **PRDE Administrator Entity**.

Tier Levels

14. A **CP** and its **Designated Entity** (if applicable) is able to choose its **Tier Level** for obtaining **supply of credit reporting information** from **CRBs** (although the **CP's** and its **Designated Entity's** choice may be restricted by the **Privacy Act** requirement that **repayment history information** and **financial hardship information** may only be supplied to a **CP** that is an Australian credit licensee).
15. The **CP's** and its **Designated Entity's** (if applicable) choice of **Tier Level** means that it must **contribute credit information** at that chosen **Tier Level** to all **CRBs** that it has a **services agreement** with (see paragraph 58 for the **contribution requirements** for each **Tier Level**) to the extent the **CRB** is able to receive **supply of credit information**. This does not, however, mean that the **CP** and its **Designated Entity**, when making an **access request** to one **CRB**, must also make the same **access request** to all other **CRBs** with which it has a **services agreement**.
16. The **CP** and its **Designated Entity** (if applicable) must **contribute credit information** to all those **CRBs** with which it has a **services agreement** consistently across all of their consumer credit accounts for all its credit portfolios subject only to:
 - a) the materiality and other exceptions set out in paragraphs 29 to 33A; and
 - b) the transitional provisions in Principle 4; and

- c) any recommendation by the **Industry Determination Group** or decision by the **Eminent Person**.

Contribution of Negative information

- 17. A **CRB** may **supply negative information** to any person or organisation as **permitted** by the **Privacy Act**. It is not necessary for that person or organisation to be a **signatory** to this PRDE to **receive supply** of **negative information**.
- 18. All **negative information contributed** by a **CP** can be supplied to a person or organisation as permitted by the **Privacy Act**.
- 19. Where a **CP** has chosen to **contribute negative information** under this **PRDE** (for any of the three **Tier Levels**), the **CP** must **contribute** the following types of **credit information**:
 - a) identification information (paragraph (a) of the definition of **credit information** in the **Privacy Act**);
 - b) default information (paragraph (f) of the definition of **credit information** in the **Privacy Act**);
 - c) payment information (paragraph (g) of the definition of **credit information** in the **Privacy Act**); and
- 20. When **contributing** default information in accordance with subparagraph 19(b) above, where an individual has defaulted on their obligations, a **CP** must ensure default information is **contributed** within a reasonable timeframe of the account becoming overdue.
- 21. Where a **CP** chooses to **contribute** to a **CRB credit information** including its name and the day on which consumer credit is entered into, in relation to consumer credit provided to an individual, this **contribution of credit information**, for the purposes of this PRDE, will be deemed a **contribution of negative information** provided:
 - a) the **CRB's** subsequent **supply of credit reporting information** at the **CP's** nominated **Tier Level** is a permitted **CRB** disclosure (in accordance with item 5 of subsection 20F(1) of the **Privacy Act**); and
 - b) the **CP's** use of the **credit eligibility information** is a permitted **CP** use (in accordance with item 5 of section 21H of the **Privacy Act**).
- 21A. The type of credit account is an element of **consumer credit liability information**. However, for the purposes of this PRDE, all **contributions** of this type of credit account in conjunction with the **contribution of negative information** is deemed a **contribution of negative information**.

Designated entities

- 22. A **CP** may nominate one or more **Designated Entities** where permitted to by paragraphs 23 to 28.
- 23. Each **Designated Entity** must choose a **supply Tier Level** and **contribute credit information** consistent with that choice. A **CP's Designated Entities** are not all required to choose the same **Tier Level**.
- 24. If a **CP** nominates **Designated Entities**, the **CP** must notify the **PRDE Administrator Entity** of its **Designated Entities** so that the **PRDE Administrator Entity** can make this information available to **signatories**. The **CP** must also provide a copy of the notification to each **CRB** with which it has a **services agreement**.

Designated entity requirements

25. A **CP** may nominate as a **Designated Entity**:
- another **CP** that is a related body corporate of the designating **CP**; or
 - a division or group of divisions of the **CP** that operate one or more distinct lines of business, each of which operate under their own brand or brands;
- provided that (and for so long as) the specified entity meets the requirements of paragraph 26.
26. A **Designated Entity** must have in place documented controls to prevent **on-supply** of **partial information** or **comprehensive information** to other **CPs** (whether **signatory CPs** or non-signatory **CPs**) or **Designated Entities**, where **on-supply** is not permitted by this PRDE.
27. If a **CP** chooses to nominate a **Designated Entity**, whether as a result of acquisition, or the result of internal creation of the **Designated Entity**, the **CP** must notify the **PRDE Administrator Entity** of its proposed **Designated Entity** and identify how it satisfies the **Designated Entity** criteria.
28. If a **Designated Entity** ceases to meet the criteria in paragraph 26, the **CP** must:
- Notify the **PRDE Administrator Entity** and advise any change in the **supply Tier Level** for the **CP**;
 - Where this means that the former **Designated Entity** will now be **supplying** at a different **Tier Level**, advise each **CRB** with which it has a **services agreement** of its new **supply Tier Level**.

Materiality exception

29. A **CP** is required to endeavour to **contribute** all eligible **credit information** for its chosen **Tier Level**. A **CP** will comply with its obligations if it meets the **Participation Level Threshold**, subject to the run-off exception in paragraphs 31 to 32A, the account exceptions in paragraph 33 and the **Repayment History Information** reporting exceptions in paragraph 33A.
30. The **Participation Level Threshold** is met if:
- the consumer credit accounts for which **credit information** is not **contributed** (“excluded accounts”) do not represent a subset of consumer credit accounts that are unique in terms of their credit performance or behaviour (for example, excluded accounts cannot be all of the delinquent accounts); and
 - the **CP** has acted in good faith to provide all available **credit information**.

Run-off exception

31. A **CP** is not required to **contribute credit information** about consumer credit accounts where:
- the accounts relate to a product that is in run-off and accordingly no new accounts of this type are being opened (“run-off account type”); and
 - the number of accounts of the run-off account type is not more than 10,000; and
 - the total number of accounts excepted under this paragraph does not constitute more than 3% of the total number of consumer credit accounts of the **CP**.

32. In calculating the number of accounts of the run-off account type in subparagraph 31(b), a **CP** and its **Designated Entity** or **Entities** (as applicable) will be treated as separate **CP** entities.
- 32A. In calculating the total number of consumer credit accounts in subparagraph 31(c), a **CP** and its **Designated Entities** (if any) will be treated as one **CP**.

Account exceptions

33. A **CP** is not required to **contribute credit information** about those accounts listed in Schedule 1 to this PRDE.

Repayment History Information reporting exceptions

- 33A. A **CP** is not required to **contribute repayment history information** in the circumstances listed in Schedule 2 to this PRDE. In each **month** that a **CP** is not required to **contribute repayment history information**, the **CP** is also not required to **contribute financial hardship information** (if that information otherwise exists for the **month**).

PRINCIPLE 2

Principle 2: It is necessary to be a PRDE signatory in order to exchange PRDE signatory Consumer Credit Liability Information (CCLI), Repayment History Information (RHI) and Financial Hardship Information (FHI) with other PRDE signatories.

Exchange of Partial Information and Comprehensive Information

34. For a **CP** to **contribute partial information** or **comprehensive information** and, if it then elects, to obtain **supply** of **partial information** or **comprehensive information** which has been **contributed** by a **signatory** it must also be a **signatory** to this PRDE and its nominated **Tier Level** must be either **partial information** or **comprehensive information** (as applicable).
35. For a **CRB** to receive **contribution** of **partial information** or **comprehensive information** from a **signatory** it must also be a **signatory** to this PRDE. For a **CRB** to then **supply** that **contributed partial information** or **comprehensive information** to a **CP** it must ensure that **CP** is a **signatory** to this PRDE and each recipient of such information must have nominated a **Tier Level** of either **partial information** or **comprehensive information** (as applicable).
36. A **CRB** may receive **contribution** of **partial information** or **comprehensive information** from a non-signatory **CP**, and a **CRB** may also **supply partial information** or **comprehensive information** to a non-signatory **CP**. However, a **CRB** must not **supply signatory CP partial information** or **comprehensive information** to a non-signatory **CP**.
37. **Contribution** and **supply** of **partial information** and **comprehensive information** by **signatories** must comply with the **ACRDS**.

Promises by CRBs

38. We will only **supply partial information** and **comprehensive information** **contributed** by a **signatory** to a **CP** if it is a **signatory** to this PRDE or a **CP** which is

engaged by a **CP** as an agent or as a **Securitisation Entity** (either in its own capacity or for or on behalf of the **CP**), or the recipient is otherwise a **Mortgage Insurer** or a **Trade Insurer** and receives the information for a **Mortgage Insurance Purpose** or **Trade Insurance Purpose**.

Promises by CPs

39. We will only **contribute** and obtain **supply** of **partial information** and **comprehensive information** from a **CRB** which is a **signatory** to this PRDE.
40. We will notify the **PRDE Administrator Entity** of the **Securitisation Entities** we engage and enable to obtain **supply** of **partial information** or **comprehensive information** from a **CRB** for a **securitisation related purpose**. We will disclose these **Securitisation Entities** to the **PRDE Administrator Entity** so that it can make this information available to **CRBs** and **CPs**.

Securitisation Entities

41. Where a **Securitisation Entity** nominated under paragraph 40 obtains the **supply** of **credit reporting information** from a **CRB** for the **securitisation related purposes** of the **CP**, the **Securitisation Entity** will only be able to obtain **credit reporting information** that would have been accessible to the **CP**.
42. The **CP** referred to in paragraph 41 must:
 - a) include in its agreement with the **Securitisation Entity** a requirement that the **Securitisation Entity contribute credit information** held by the **Securitisation Entity**; and
 - b) take reasonable steps to enforce the requirement referred to in subparagraph (a).

However, if such **contribution** is at a lower **Tier Level** this will not prevent the **supply** of **credit reporting information** at a higher **Tier Level**, subject to the requirements of paragraphs 40 and 41.

On supply of information

43. Disclosure to other **CPs** (whether a **signatory** or non-signatory) and to **Designated Entities**

A **CP** is not permitted to **on-supply partial information** or **comprehensive information** to another **CP** (whether a **signatory** or a non-signatory) or **Designated Entity** if the terms of this PRDE prevent that other **CP** (whether a **signatory** or a non-signatory) or **Designated Entity** from obtaining the **supply** of that **partial information** or **comprehensive information** directly from that **CRB**.

For example, where a **CP** has chosen to obtain the **supply** from **CRBs** of **comprehensive information**, the **CP** is prohibited from **on-supplying** any **repayment history information** or **financial hardship information**, or information derived from that information to a **CP** or to a **Designated Entity** that has chosen to obtain the **supply** from **CRBs** of **partial information** only.

44. Despite paragraph 43, a **CP** is permitted to **on-supply partial information** or **comprehensive information** to a **Securitisation Entity** provided that the purpose of the **on-supply** of that **partial information** or **comprehensive information** is for **securitisation related purposes** of a **CP**.

45. Despite the prohibition preventing **on-supply** above, a **CP** may make **credit eligibility information** available to another **CP** (whether a **signatory** or non-signatory) for review purposes only to enable them to assess whether or not to acquire consumer credit accounts.

For example, if a **CP** (the acquirer **CP**) who has chosen to **contribute negative information** only, acquires consumer credit accounts from a **CP** (the acquired **CP**) who has chosen (in respect of the acquired consumer credit accounts) to **contribute comprehensive information**, the acquirer **CP** will be able to review the **comprehensive information** of the acquired **CP** (in respect of the acquired consumer credit accounts) to assess whether or not to acquire the consumer credit accounts. The acquirer **CP**'s review of the **credit eligibility information** may be restricted by the **Privacy Act** requirement that **repayment history information** and **financial hardship information** may only be supplied to a **CP** that is an Australian credit licensee.

46. Disclosure to third parties (including **Mortgage Insurers**)

Despite the prohibition preventing **on-supply** above, a **CP** is permitted to **on-supply partial information** or **comprehensive information** to third parties who are not **CPs** or who are a **CP** within the meaning of s6H of the **Privacy Act**, where the disclosure of this information is a permitted disclosure in accordance with section 21G(3) of the **Privacy Act** and, the **on-supply** of **repayment history information** and **financial hardship information**, occurs only in the circumstances set out in section 21G(5) of the **Privacy Act**.

- 46A. Disclosure where mortgage credit is secured by the same real property

Despite the prohibition preventing **on-supply** above, a **CP** is permitted to **on supply partial information** or **comprehensive information** to another **CP** (whether a **PRDE signatory** or not) (the same mortgage credit **CP**) where both the **CP** and the same mortgage credit **CP** have provided mortgage credit to the same individual and the disclosure of this information is a permitted disclosure which meets the requirements of section 21J(5) of the **Privacy Act**.

PRINCIPLE 3

Principle 3: Services agreements between PRDE signatories will require reciprocity and the use of the ACRDS

Services agreements

47. **Services agreements:**
- a) will require **CPs** to **contribute credit information** at their nominated **Tier Level** and **CRBs** to **supply credit reporting information** at the nominated **Tier Level**;
 - b) will require **CPs** to use the **ACRDS** when **contributing credit information** to **CRBs**;
 - c) will require **CPs** and **CRBs** to adhere to the **Publication Timeframe** for use of the **ACRDS**; and

- d) may, in respect of those **services agreements** with non-signatory CPs, provide that the non-signatory CPs can continue to **contribute** outside the **ACRDS**, provided that this provision of information meets the requirements under the **Privacy Act** and also encourage the use of the **ACRDS**.

Promises by CRBs

48. We will not accept **contributed credit information** from a **CP** unless the information is compliant with **ACRDS** or the **CP** has engaged us to convert the **contributed credit information** into an **ACRDS** compliant format. When we accept information compliant with the **ACRDS**, we will apply the validation requirements for the **ACRDS** version nominated by the **CP**, provided that the version accords with the **Publication Timeframe** issued by the **PRDE Administrator Entity**.
- 48A. We will implement new versions of the **ACRDS** in accordance with the **Publication Timeframe** issued by the **PRDE Administrator Entity**.
49. We may provide a service for **CPs** that will convert **contributed credit information** into an **ACRDS** compliant format.

Promises by CPs

50. Our **contributed credit information** will comply with the **ACRDS** or alternatively we will utilise the **CRB's** service to convert our **contributed credit information** into an **ACRDS** compliant format.
- 50A. We will implement new versions of the **ACRDS** in accordance with the **Publication Timeframe** issued by the **PRDE Administrator Entity**.

Contribution barriers

51. **CRBs** must not impose constraints to restrict a **CP** from **contributing credit information** to another **CRB**.

Management of the ACRDS and Publication Timeframe

52. The **PRDE Administrator Entity** is required to maintain and manage the **ACRDS** and the **Publication Timeframe**.

PRINCIPLE 4

Principle 4: PRDE signatories agree to adopt transition rules which will support early adoption of partial and comprehensive information exchange.

Transitional arrangements

53. Subject to the materiality and other exceptions set out in paragraphs 29 to 33A and the transitional provisions set out in paragraphs 54 to 64, a **CP** will **contribute credit information** about their consumer credit accounts at their chosen **Tier Level** before obtaining their first **supply of credit reporting information** from a **CRB**.
54. For **CPs** that become a **signatory** to the PRDE:

- a) at the time of the **Effective Date**, they must **contribute** the **credit information** for at least 50% of the accounts for the nominated **Tier Level** that they are required by this PRDE to **contribute** prior to obtaining **supply of credit reporting information** at this nominated **Tier Level** from a **CRB**;
 - b) within 12 months of the **Effective Date**, they are required to **contribute** all of the **credit information** for the accounts at the nominated **Tier Level** to fully comply with their obligations under this PRDE.
55. For **CPs** that are existing signatories to this PRDE and nominate to obtain **supply of credit reporting information** (and to **contribute credit information**) at a different **Tier Level**:
- a) they must notify their nomination of the different **Tier Level** to the **PRDE Administrator Entity** and to a **CRB** with which they have **services agreements** not less than 30 calendar days before commencing **contribution of credit information** at the different **Tier Level**. The notification of the change in **Tier Level** will be provided to the **PRDE Administrator Entity** so that it can make this information available to **CRBs** and **CPs**;
 - b) at the time of notifying their nomination, and if nominating to a higher **Tier Level**:
 - i) they must **contribute** the **credit information** for at least 50% of the accounts for the **Tier Level** they are required by this PRDE to **contribute** prior to obtaining **supply of credit reporting information** at the higher **Tier Level** from a **CRB**;
 - ii) within 12 months of nomination of the **Tier Level**, they must **contribute** all of the **credit information** for the accounts they are required to **contribute** to fully comply with their obligations under this PRDE.
56. **CPs** can nominate to **contribute** at a different **Tier Level** in accordance with paragraph 55, although the full **contribution of credit information** in accordance with paragraph 54 has not occurred.
- For example, on signing the PRDE at the start of January 2015, a **CP** may nominate to obtain **supply at negative information Tier Level** with full **contribution** required by the end of December 2015 (to be compliant for January 2016). The **CP** subsequently nominates to obtain **supply at comprehensive information Tier Level** at the start of June 2015. **Contribution** at each **Tier Level** will run from the date of each nomination so that the **CP** will provide full **contribution of negative information Tier Level** in December 2015, six months before it is required to provide full **contribution of comprehensive information Tier Level** by the end of May 2016 (to be compliant for June 2016).
57. **CPs** must notify the **PRDE Administrator Entity** upon attainment of full compliance, in accordance with subparagraphs 54(b) and 55(b)(ii) above. Such notification may be provided at any time before the expiry of the 12 month period and will be published to other signatories.

Data supply

58. Subject to the above transitional requirements, **CPs** must comply with the following requirements when **contributing credit information**:
- a) For **negative information, contribution of negative information** for all consumer credit accounts which are eligible in accordance with the **Privacy**

Act and **ACRDS** at the date of first **contribution** by the **CP** and, thereafter, all consumer credit accounts on an ongoing basis.

- b) For **partial information**, in addition to complying with the requirements for **negative information**, **contribution of consumer credit liability information** for all consumer credit accounts which are open at the date of first **contribution** by the **CP** and, thereafter, all consumer credit accounts on an ongoing basis.
- c) For **comprehensive information**, in addition to complying with the requirements for **negative** and **partial information**, **contribution of repayment history information** and, as relevant, **financial hardship information** for all consumer credit accounts which are open at the date of first **contribution** by the **CP** for a period of three calendar months prior to the first **contribution** by the **CP** or alternatively, **supply** over three consecutive months to then amount to first **contribution** by the **CP**, and, thereafter, all consumer credit accounts on an ongoing basis.

For example, where a **CP** has chosen to **contribute comprehensive information**, the **CP** will be required to provide at least 50% of the **repayment history information** (and any relevant **financial hardship information**) for the period dating three calendar months immediately prior to first **contribution** by the **CP** and, ongoing, at least 50% of all **repayment history information** (and any relevant **financial hardship information**) for those first 12 months. This means that, 12 months from the date of the first **contribution** the **CP** will be required to have **contributed**:

- i) at least 50% **repayment history information** (and any relevant **financial hardship information**) on the first **contribution** (for the previous 15 months) then;
- ii) all **repayment history information** (and any relevant **financial hardship information**) on an ongoing basis.

Acquisition of consumer credit accounts

- 59. Where a **CP** acquires consumer credit accounts from another **CP**, the **CP** may, for a period of 90 calendar days (the review period), from the date of acquisition, review these accounts for compliance with the PRDE. The **CP** must notify the **PRDE Administrator Entity** of the acquisition of these consumer credit accounts, including the date of acquisition, within 10 business days of this acquisition.
- 60. At the expiry of the review period, and subject to the run-off exception in paragraphs 31 and 32A above and the **Designated Entity** provisions in paragraph 22 to 28 above, the **CP**:
 - a) must **contribute** the **credit information** for at least 50% of the acquired consumer credit accounts for the **Tier Level** they are required by this PRDE to **contribute**;
 - b) within 12 months, they must **contribute** all of the **credit information** for the acquired consumer credit accounts.
- 61. The provisions relating to acquisition of consumer credit accounts only apply to acquired consumer credit accounts, and do not affect all other **CP contribution** obligations contained in this PRDE.

Testing and data verification

62. Despite the provisions above in Principle 4, the PRDE does not prohibit a **CP** or **CRB** (as applicable) from the **supply** and/or **contribution of credit information** and the obtaining **supply** and/or **contribution of credit reporting information** where such **contribution, supply** and obtaining of **supply** is for testing and data verification purposes.

Non-PRDE Services Agreements

63. Where a **CRB** and a **CP** (whether **signatories** or non-signatories)
- enter into a **services agreement** which enables the **contribution, supply** or obtaining of **supply of partial information** or **comprehensive information** outside of the PRDE; and
 - the **CRB** or **CP** choose to subsequently become PRDE **signatories**;
 - the **contribution, supply** or obtaining of **supply of partial information** or **comprehensive information** pursuant to that **services agreement** (non-PRDE **services agreement**) will be deemed compliant with this PRDE provided that the criteria set out in paragraph 64 below is satisfied.
64. The **contribution, supply** or obtaining of **supply of credit information** and/or **credit reporting information** by either the **CP** or **CRB** under the non-PRDE **services agreement** will be compliant with this PRDE where, within a period of no longer than 90 calendar days from the **Signing Date**:
- the **supply, contribution** and obtaining of **supply of partial information** or **comprehensive information** is in accordance with this PRDE;
 - the **contribution of credit information** by the **CP** to the non-PRDE **services agreement** is in accordance with the **ACRDS**;
 - the **credit information** previously **contributed** for the **CP's** consumer credit accounts is included in the calculation of initial **contribution**, in accordance with paragraph 54 above;
 - the transition period which applies to the **contribution of credit information** by the **CP** is 12 months from the **Signing Date** or in the event that a **CP** has supplied its **partial information** or **comprehensive information** pursuant to a non-PRDE **services agreement** for a period of more than 12 months prior to the **Signing Date**, then 90 calendar days from the **Signing Date**;
 - the **contribution, supply** and obtaining **supply** of the **partial** and/or **comprehensive information** is subject to the monitoring, reporting and compliance requirements contained within Principle 5 below. However, it is noted that the obligations contained in Principle 5 will only become effective at the **Signing Date**.

PRINCIPLE 5

Principle 5: PRDE signatories will be subject to monitoring, reporting and compliance requirements, for the purpose of encouraging participation in the exchange of credit information and data integrity. The PRDE Administrator Entity will have the ability to provide guidance on the interpretation and application of the PRDE.

65. Upon becoming a **signatory** to the PRDE, a **signatory** does not make any representation (whether direct or implied) arising by reason of its signing the PRDE to any other **signatory** to this PRDE. Principle 5 sets out the agreed process for addressing non-compliance with the PRDE. A **CP** or a **CRB** who forms an opinion of **non-compliant conduct** by another **CP** or **CRB** is required to adhere to the process set out in this Principle to resolve a dispute about **non-compliant conduct** and may not take any other action or steps against the **CP** or **CRB**. Any information exchanged by the parties as part of this process cannot be relied upon in any other forum.

Initial report of **non-compliant conduct** – Stage 1 Dispute

66. Where a **CP** or **CRB** (the **reporting party**) forms an opinion that a **CP** or **CRB** (the **respondent party**) has engaged in **non-compliant conduct**, it will issue to the **respondent party** a report of **non-compliant conduct**. Such a report must comply with the **SRR**.
- 66A. Where the **PRDE Administrator Entity** (the **reporting party**) forms an opinion pursuant to paragraph 98H or paragraph 107 that a **CP** or **CRB** (the **respondent party**) has engaged in **non-compliant conduct**, it may issue to the **respondent party** a report of **non-compliant conduct**. Such a report must comply with the **SRR**.
67. From the date of receipt of the report by the **respondent party**, the parties have 30 calendar days in which to:
- a) Confer;
 - b) (For the **respondent party**) Respond to the report of **non-compliant conduct**, providing such supporting information as the **respondent party** deems necessary; and
- Either:
- c) Enter into a **Rectification Plan**. The **Rectification Plan** must comply with the **SRR**; or
 - d) Agree that the conduct of the **respondent party** is compliant with the PRDE.
68. If the **Rectification Plan** entered under subparagraph 67(c) results in the **non-compliant conduct** being rectified within the 30 calendar day period of a Stage 1 Dispute, or if the parties agree under subparagraph 67(d) that the conduct of the **respondent party** is compliant with the PRDE; the dispute is closed and no information about the dispute will be provided to the **PRDE Administrator Entity** (unless the **PRDE Administrator** is a party to the dispute).
69. If the **Rectification Plan** entered into under subparagraph 67(c) will not result in the **non-compliant conduct** being rectified within the 30 calendar day period of the Stage 1 Dispute the parties to the **Rectification Plan** must provide the **Rectification Plan** to the **PRDE Administrator Entity** within 3 business days of the expiry of the 30 calendar day period of the Stage 1 Dispute. The dispute will then become a Stage 2 Dispute.
70. If no **Rectification Plan** is entered into within the 30 calendar day period of the Stage 1 Dispute and there is no agreement that the conduct is compliant with the PRDE, the parties to the Stage 1 dispute must notify the **PRDE Administrator Entity** within 3 business days of the expiry of the 30 calendar day Stage 1 Dispute period. The dispute will then become a Stage 3 Dispute.

Referral to PRDE Administrator Entity – Stage 2 Dispute

71. When a Stage 2 Dispute is referred to the **PRDE Administrator Entity** under paragraph 69, the **PRDE Administrator Entity** must make the **Rectification Plan** available to **signatories** within 3 business days of receipt of the **Rectification Plan**. Where a dispute arises from a self-report of **non-compliant conduct** under paragraph 96, the **PRDE Administrator Entity** will take reasonable steps to de-identify the **Rectification Plan** before making it available under this paragraph.
72. Any **signatory** may object to the **Rectification Plan** by issuing a notice of objection to the **reporting** and **respondent parties** or to the **PRDE Administrator Entity**, within 5 business days of the **Rectification Plan** being made available to **signatories** under paragraph 71. Such notice of objection must comply with the **SRR**.
73. In the event that a **signatory** issues a notice of objection, for the purposes of this PRDE that **signatory** will become the **reporting party**, and the **reporting** and **respondent parties** from the Stage 1 Dispute will become the **respondent parties**. The dispute resolution process set out in paragraphs 66 to 70 will then apply to the dispute.

The parties will then have 3 business days in which to provide the **PRDE Administrator Entity** an amended **Rectification Plan** which the **PRDE Administrator Entity** will provide to the **Industry Determination Group**. Referral to Eminent Person – Stage 4 Dispute

82. Where the **Industry Determination Group** has issued a recommendation in accordance with subparagraph 78(b), the parties have 10 business days from issue of the recommendation by the **PRDE Administrator Entity** to accept or reject this recommendation. If a party does not respond within this timeframe, they are deemed to have accepted the recommendation.
83. In the event a party rejects the recommendation, the dispute will be referred to the **Eminent Person** for review and decision.

PRDE Administrator Entity power to identify non-compliant conduct

- 98A. Where the **PRDE Administrator Entity** forms an opinion on reasonable grounds that any **CP** or **CRB** (‘the answering **CP** or **CRB**’) to this PRDE may have engaged, or be engaging, in **non-compliant conduct** (‘potential non-compliance’), it may request that a **CP** or **CRB**, or any other **CP** or **CRB** that may have information that is relevant to the potential non-compliance, to provide information to the **PRDE Administrator Entity**. The information requested by the **PRDE Administrator Entity** may include any information that the **PRDE Administrator Entity** reasonably considers is relevant to determining whether the answering **CP** or **CRB** is engaging in **non-compliant conduct** and may require the **CP** or **CRB** to provide a written statement relating to the **CP’s** or **CRB’s** compliance with the PRDE. Such a request must comply with the **SRR**.
- 98B. In making a request under paragraph 98A, the **PRDE Administrator Entity** will:
- describe the conduct that may involve potential non-compliance; and
 - provide a reasonable timeframe for production of the information requested.
- 98C. A **CP** or **CRB** may within 10 business days of receiving a request under paragraph 98A provide a written objection to providing the information on the basis that:
- there is no reasonable basis upon which the **PRDE Administrator Entity** has formed an opinion on potential non-compliance; or
 - the request is onerous and excessive
 - the timeframe for production of the information is unreasonable.
- The objection must comply with the **SRR**.
- 98D. If a **CP** or **CRB** objects to a request under paragraph 98C, the **PRDE Administrator Entity** must either withdraw the request or refer the request and the objection to the **Industry Determination Group**.
- 98E. From the date of referral of the objection the **Industry Determination Group** has 5 business days in which to:
- review the request and the objection;
 - require the **PRDE Administrator Entity** or **CP** or **CRB** to provide additional information in relation to the request or objection.
- 98F. From the date of referral under paragraph 98D, or from the date of receipt of additional information under subparagraph 98E(b), the **Industry Determination Group** must, within 10 business days, issue its decision to:
- affirm the request;
 - amend the request and require the **CP** or **CRB** to provide the information within a reasonable timeframe; or

- c) cancel the request.

The decision of the **Industry Determination Group** is final. Any requirement under paragraph 98A to **supply** the requested information is suspended until the **Industry Determination Group** makes a decision.

- 98G. Upon receipt of the information requested under paragraph 98A, the **PRDE Administrator Entity** may:
- a) advise the answering **CP** or **CRB** in writing that it considers that the **CP** or **CRB** has engaged, or is engaging, in **non-compliant conduct**;
 - b) suggest to the answering **CP** or **CRB** that it make a self-report of **non-compliant conduct** under paragraph 96.
- 98H. If the **PRDE Administrator Entity** has not received a self-report of **non-compliant conduct** from the answering **CP** or **CRB** after the expiry of 10 business days from the **written** notice referred to in paragraph 98G, the **PRDE Administrator Entity** may issue a notice of **non-compliant conduct** in accordance with paragraph 66A. For the purposes of this paragraph, the **PRDE Administrator Entity** will be deemed as the **reporting party**.
- 98I. A **CP** or **CRB** that is requested to provide information under paragraph 98A, and which isn't the answering **CP** or **CRB**, must treat the request as confidential.

Systemic Non-Compliance

- 98J. Where the **PRDE Administrator Entity** forms an opinion that 2 or more **signatories** are engaging, or are likely to engage, in **non-compliant conduct** that is due to the same or similar issues and it considers that it would be efficient for the **non-compliant conduct** to be addressed in a consistent manner across **signatories**, the **PRDE Administrator Entity** may develop a **Rectification Plan** that addresses the **non-compliant conduct**. The **Rectification Plan**:
- a) will be developed by the **PRDE Administrator Entity** in consultation with **signatories** and must provide a reasonable period of time to allow affected **signatories** to become compliant;
 - b) must identify the conduct that, if it were being engaged in by a **signatory**, would constitute **non-compliant conduct**;
 - c) may require affected **signatories** to provide periodic updates to the **PRDE Administrator Entity** as to compliance with the **Rectification Plan**;
 - d) will require an affected **signatory** to notify the **PRDE Administrator Entity** of its adoption of the **Rectification Plan**;
 - e) must comply with the **SRR**, including any requirements that apply specifically to **Rectification Plans** made under this paragraph; and
 - f) must be made available to **signatories** within 3 business days of being finalised by the **PRDE Administrator Entity**;
 - g) is subject to the objection process in paragraph 72. If an objection is made to a **Rectification Plan** developed by the **PRDE Administrator Entity**, the **PRDE Administrator Entity** will be the nominal **respondent party** for the purposes of the dispute process in paragraphs 66 to 70, save that it may withdraw the **Rectification Plan** at any stage so that the dispute will not proceed.

Extension of time

99. At any stage, other than the 30 calendar day period for a Stage 1 Dispute, the parties may apply to the **PRDE Administrator Entity** to seek an extension of time. The request for an extension of time must comply with the **SRR**.
100. Where a dispute is being dealt with by the **Industry Determination Group** or **Eminent Person**, the request for an extension of time will be determined by the **Industry Determination Group** or **Eminent Person** (as applicable).
101. In all other circumstances, the request for an extension of time will be determined by the **PRDE Administrator Entity**.

PRDE Administrator Entity powers

107. The **PRDE Administrator Entity** may initiate a report of **non-compliant conduct**, in which case it will be the **reporting party**, and the dispute resolution provisions set out in paragraphs 66 to 70 will apply. Such a report can only be issued where the non-compliance relates to:
- a) A **CRB** or **CP's** failure to pay the costs identified by the **PRDE Administrator Entity**, as required by paragraphs 7 and 13;
 - b) A **CRB's** failure to inform the **PRDE Administrator Entity** of the **Tier Level** of a **CP** that **contributes** credit information, as required by paragraph 5;

 - l) A **CRB** or **CP's** failure to comply with a request under paragraph 98A;
 - m) An allegation of **non-compliant conduct** notified by the **PRDE Administrator Entity** to the **CP** or **CRB** under paragraph 98G.
- 107A. Nothing in this PRDE prevents the **PRDE Administrator Entity** from acting as the **reporting party** and the **PRDE Administrator Entity** in respect of the same dispute.
108. A reporting or respondent **CP** or **CRB** may request the **PRDE Administrator Entity** issue a direction to join disputes (whether at a Stage 2 Dispute or Stage 3 Dispute) where:
- a) There are common parties and issues; and

- b) The **PRDE Administrator Entity** determines the joining of disputes is necessary for the effective resolution of the disputes.

Guidance on the interpretation and application of the PRDE

108A. The **PRDE Administrator Entity** may issue formal guidance on the application of the PRDE. Such guidance must comply with the **SRR** and be supported by a statement of consultation, with such consultation appropriate to the nature and scope of the guidance.

108B. The **PRDE Administrator Entity** may develop and issue formal guidance:

- a) at the request of a **signatory**; or
- b) at the request of another entity, provided the **PRDE Administrator Entity** believes that the entity has sufficient interest in the outcome. For example, an entity that is actively preparing to become a **signatory**; or
- c) if it considers that it is necessary or would improve the operation of the PRDE.

A request under subparagraphs (a) or (b) must comply with the **SRR**.

108C. In developing formal guidance under paragraph 108A, the **PRDE Administrator Entity** must:

- a) consult as appropriate to the nature and scope of the guidance. This may include consultation with **signatories** and other entities that have a sufficient interest in the outcome (as set out in paragraph 108B);
- b) make the formal guidance available to **signatories** and other entities with a sufficient interest in the outcome;
- c) if it considers is appropriate, allow for a reasonable period of time before the guidance becomes applicable.

108D. A formal guidance does not change the obligations of a **signatory** under the PRDE. However, the **Industry Determination Group** when making a recommendation under subparagraph 78(b) and the **Eminent Person** when making a decision under paragraph 87, will take in to account any formal guidance issued under paragraph 108A and its associated statement of consultation when considering whether a **signatory** is engaging in **non-compliant conduct**.

108E. For the avoidance of doubt, the **PRDE Administrator Entity** may also provide informal guidance on the application of the PRDE, however such guidance will not be considered formal guidance under paragraph 108A. **Signatories** who seek a position that will be considered by the **Industry Determination Group** and **Eminent Person** should seek formal guidance under subparagraphs 108B(a) and (b).

 - a) the CP and the customer have agreed to an arrangement that would be a **financial hardship arrangement** if the NCC applied to the credit; and
